

Westborough High School Robotics Team 4048 2016-17 Academic Year

STUDENT CONTRACT

The Westborough High School Administration believes participation in Robotics is a privilege. Students wishing to take advantage of the opportunities presented to them by the Westborough High School Robotics Team must show a commitment to these activities by regular attendance at build meetings and the competition as well as conformity to the rules established by the School and the Mentors. The privilege of participating requires that each student who participates in Robotics, as well as his/her parent, will read the following rules, sign and return this form to the Mentors prior to participation.

Basic Rules:

Team members will:

- Act with gracious professionalism towards the Mentors, fellow team members, and fellow competitors.
- Sign in at every build meeting. No one may sign in for anyone else.
- Not be allowed to take the robot or any parts home.
- Handle robot components with care.
- Clear the shared workspace and re-sort pieces after each build meeting.
- Adhere to all lab and travel safety rules including wearing goggles at all times.
- Refrain from profanity, obscenity, and abusive language.

Conduct at Meetings / Disqualification:

Breaking the rules above will result in disqualification from the team. Any student disqualified during the Robotics year for lack of compliance with the rules above will not be allowed to participate in the remaining season.

Participation is conditional to delivery of all paperwork and fee.

Student Agreement:

I have read the Westborough High School Robotics Team rules and agree to abide by them or accept the consequences.

Student Name (please print), Student Signature and Date

Parent's Agreement:

In an effort to promote good team effort and spirit, I agree to ensure my child adheres to the rules. I understand that failure to comply with the rules will have consequences such as disqualification.

Parent Name (please print), Parent Signature and Date
